

# Panther Car Club reflects on a momentous 2015

## Even bigger plans afoot for 2016

**W**hen it comes to left-field marques, few can compete with Panther, yet the brand has one of the most active and enthusiastic clubs going. The Panther Car Club's Bob Clare comments: "Just 3200 or so Panthers were produced yet we have over 500 members. For such a relatively small club we've been incredibly active in 2015, with show successes here in the UK and at the prestigious Techno Classica in Essen where, as one of only two British clubs represented, we were awarded sixth

place out of 200 clubs entered into their World Club Grand Prix event. 'On top of this, the

club completed tours of Spain, Holland, France, Italy, Croatia and Slovenia and had a presence at more than 50 classic car events in the UK. But 2016 is set to be even better, with plans already being laid for many more national and international gatherings.'
